

UC Campus Student Health Insurance

The UCEAP travel insurance is not the same as the UC SHIP campus or private health insurance plan. For more information on the UCEAP travel insurance, please see the Insurance tab on your program's [pre-departure checklist](#).

All UC students studying abroad will be assessed the mandatory UC SHIP health insurance fee by their home UC campus. You are responsible for either paying the UC SHIP fee at your UC campus, **OR** obtaining a health insurance waiver from your UC campus.
