

CARMEN GLORIA GUIÑEZ

Senior Program Coordinator, UCEAP Chile Study Center

As the UCEAP Chile Study Center Senior Program Administrator, Carmen Gloria Guiñez has worked with EAP students for the past 22 years. Upon the students' arrival in Chile, Carmen Gloria involves herself in every aspect of their stay – from providing academic, cultural and housing resources to helping them out with course selection and supporting them when medical assistance is needed.

As someone who has traveled extensively and lived abroad herself, Carmen Gloria is particularly suited to help students face the challenges of studying abroad. After 22 years of watching how students change for the better because of their experience in Chile, Carmen Gloria remains as motivated as ever to ensure that each student gets the most out of their study abroad experience.
