

Education Abroad Program

Category	Internship Provider	Description	Other Requirements
Public Relations/Data Collection	KPMG	KPMG provides Dublin-based audit, tax, and advisory support to financial businesses, leading players in technology, entrepreneurs, and start-ups in every sector. Assist with research in the audit support department, verify and analyze internal and external databases using Excel, and attend meetings with the director of marketing to control quality of work.	
Education, Community Services	SWICN Computer Clubhouse	The Computer Clubhouse serves underprivileged youth, ages 8-18, by offering them a safe and educational space to focus on the development of participant creativity and multimedia skills. Assist in the planning and coordination of the clubhouse's summer program activities, and work together with children on summer projects and in group workshops.	
Business, Media	Visual Artists Ireland	VAI is an artists' advocacy group that works to establish standards of fair pay for artists around the world. Research, collect, and organize data on artist payment; coordinate with professionals in the industry and co-workers to address and solve problems in the creation of a standard for fair artist remuneration.	
Community Services	Sport Against Racism, Ireland	SARI is a charitable organization promoting inter-cultural exchange and understanding through sporting and cultural events. Take part in day-to-day operations of a charitable organization, including office administration, drafting fundraising grant applications, and participation in (sporting) charity events.	
Government	Local Senator and County Councillor	Government office administration including interaction and communication with constituents to identify issues requiring government attention; research and report on upcoming government bills.
