University Of Padova Fall-only Course List

Course instruction for the fall term at the University of Padova extends into January for the majority of courses. A limited number of English-taught courses finish instruction and exams by the UCEAP program end date in December. Students participating in the fall-only program must select their courses from the below lists only, as these courses end in December. All courses are upper-division and worth 5 quarter/3.3 semester units unless otherwise noted.

UCEAP students can enroll in bachelors (Laurea / First Cycle Degrees) or masters (Laurea Magistrale / Second Cycle Degrees) level courses. Masters courses are at an advanced level and are cataloged as upper-division undergraduate credit; students should have a strong background in their field of study in order to be successful in these courses. The courses below are listed by the degree they are held under at the University of Padova.

Use the University of Padova psychology courses in English catalog linked below to review detailed information regarding the below courses. See the end of this document for instructions for navigating the psychology courses in English catalog.

Instructions for navigating the psychology courses in English catalog:

Access the psychology courses in English catalog here: https://en.didattica.unipd.it/catalogues/2019/PS
Note this is the 2019-2020 course catalog, the 2020-2021 catalog will be available closer to the program start date.

Remember, only the courses listed above will be available to you if you are participating in the fall-only program.
Click on a course under “Course unit name” to review a course’s details:

Once the course’s details are generated you can review the course level, term, and unit amount.

**Course level:** in the above example the course is a bachelor course as it is listed as “First cycle degree.”

**Course term:** you can find this information under “Teaching period.” First semester courses are taught in fall, and second semester courses are taught in spring.

**Unit amount:** The University of Padova uses ECTS units as their credits. You can find this information under “Number of ECTS credits allocated.” Most common ECTS units to UC quarter/semester unit conversion:

- 6 ECTS = 5 quarter units or 3.3 semester units
- 9 ECTS = 7 quarter units or 4.7 semester units
- 12 ECTS = 9.5 quarter units or 6.5 semester units

Reminder, the above listed fall-only courses are all worth 5 quarter/3.3 semester units unless otherwise noted.

You will need to self-assess your academic background to ensure you meet the prerequisites listed on the course details page. It is your responsibility to determine if you have the appropriate background to enroll in a course at the University of Padova.

Review all course details and click on the link under “More information” to review the full course page.
