NEW at UCEAP JAPAN!
INTERNSHIP OPPORTUNITY

EDUCATIONAL INTERNSHIP

UCEAP Japan Program coordinates an internship with a company (ISA) providing local high school students across Japan with global learning. For credit, or no credit.

● Engage in empowerment programs by leading discussions and guiding projects. Make a positive impact on highly motivated young people. Learn about the Japanese education system, its culture, and Japanese society by interacting with local people.

● Acquire leadership, communication, and people skills.

● Transportation and meals are provided. Homestay during the longer programs.

● FOR CREDIT OPTION: 5-day program for 2 units. 3-day program for 1 unit.
  ● Required: Attend pre- and post- program sessions; reading / writing assignments.
