

During the first month, students participate in the Intensive Language Program (ILP) at the [Casa de California](#).

Throughout the program, students visit museums, participate in cultural activities, attend a Ballet Folklórico performance, and take day trips, including a visit to see the [pyramids in Teotihuacan](#).

After the first month, students begin courses at the National Autonomous University of Mexico (UNAM). Most students take courses at the *Ciudad Universitaria*, UNAM's main campus, located just over one mile from the UCEAP Study Center.
