The day after the program begins, students venture out on their first excursion to the World Heritage City of Segovia, known for its aqueduct and historical monuments.

UCEAP students travel up to the area of Galicia for a four-day course related excursion. Galicia can be a difficult location for students to travel to on their own, so this is an excellent opportunity for students to visit the Northwest corner of Spain and learn about the pilgrimage to Santiago.

UCEAP Students participate in local activities and visit museums around Madrid to experience the lifestyle and culture of this capital city. Courses take place at the Instituto International located in the heart of Madrid.
