UCEAP MANDATORY STUDENT INSURANCE POLICY

The University of California Education Abroad program (UCEAP), requires the student UCEAP Insurance Plan as a non-academic condition of UCEAP participation and registration for all students who participate in a University-sponsored international education program.

The mandatory UCEAP Insurance Plan is provided by ACE, USA, insurance company through Mercer Health & Benefits, and it is paid by the University of California for UC students only. All degree-seeking UC students will be enrolled automatically in the UCEAP plan for the duration of their UCEAP program. All other students and dependents must pay the premium directly online.
