Waiver: In view of the UCEAP policy strongly discouraging travel to certain high-risk areas subject to U.S. Department of State Travel Advisory levels 3 (Reconsider Travel) and 4 (Do Not Travel), in this case to [insert country] __________ for the purpose of ________________ [personal travel during UCEAP program, visiting family, etc.] (“the High Risk Travel”), I, for myself, my parents, guardians, heirs, assigns, agents, and all those in privity with me, do hereby release, waive, discharge, and covenant not to sue The Regents of the University of California, its officers, employees, and agents from liability from any and all claims including the negligence of The Regents of the University of California, its officers, employees and agents, resulting in personal injury, accidents, assaults, kidnappings, or illnesses (including death) and property loss arising from, but not limited to, participation in the High Risk Travel.

Assumption of Risks: Due to the security situation in this country, I understand that the U.S. embassy (for students who are U.S. citizens) may temporarily close or suspend public services for security reasons in the high-risk travel country. As a result, their ability to provide emergency services, should I require it, may be severely limited. In many countries where the United States does not maintain diplomatic or consular relations, the U.S. government has no means to provide consular services to U.S. citizens. In the limited number of countries where the United States has an official Protecting Power arrangement with another country, very limited assistance may be available.

I understand that if there is a need to evacuate the country, in certain emergencies, airports may be closed and flights suspended, and other departure options may be limited. I understand UCEAP’s ability to coordinate help through the UCEAP travel assistance and insurance providers, in case of an emergency, will be severely limited or may not be available. For these reasons, UCEAP staff, or its partners, will not be able to assist me, should I experience difficulties. I understand that if security conditions worsen and/or I am injured while on this travel, the UCEAP insurance coverage may be limited depending on the cause of injuries. I understand that the UCEAP travel assistance providers may or may not be able to get me out of the country, as conditions may be too dangerous for a safe evacuation. Participation in the High Risk Travel carries with it certain inherent risks that cannot be eliminated regardless of the care taken to avoid injuries. Participation in the High Risk Travel carries with it certain inherent risks that cannot be eliminated regardless of the care taken to avoid injuries. The specific risks vary, but the risks include 1) minor and major physical injuries inflicted accidentally or intentionally by third parties; 2) emotional and psychological injuries inflicted either accidentally or intentionally by third parties; 3) catastrophic injuries including paralysis and death.

I have read the previous paragraphs and I know, understand, and appreciate these and other risks that are inherent in the High Risk Travel. I hereby assert that my participation is voluntary and that I knowingly assume all such risks.

Indemnification and Hold Harmless: I also agree to INDEMNIFY AND HOLD The Regents of the University of California HARMLESS from any and all claims, actions, suits, procedures, costs, expenses, damages, and liabilities, including attorney’s fees brought as a result of my involvement in the High Risk Travel and to reimburse them for any such expenses incurred.
