

UCEAP Student Travel Insurance

UNIVERSITY OF CALIFORNIA EDUCATION ABROAD PROGRAM POLICY

The University of California Education Abroad program (UCEAP), requires the UCEAP travel insurance policy as a non-academic condition of UCEAP participation and registration for all participants.

The UCEAP travel insurance policy is provided by ACE, USA, insurance company, and the premium is paid by the University of California for UC students only. All degree-seeking UC students will be enrolled automatically in the UCEAP plan for the duration of their UCEAP program. All other students and dependents must pay the premium directly online.

This UCEAP policy provides travel insurance benefits for students traveling outside of their home country. It does not constitute Minimum Essential Coverage (MEC) and does not satisfy the requirement of minimum essential coverage under the Affordable Care Act (ACA).
