

Special Housing Opportunity for UC Davis-bound Reciprocity Students Winter 2014

UC Davis campus housing is very limited and the campus is not able to offer housing to all UCEAP Reciprocity students who apply.

Glacier Point in Davis has been identified as a housing option for UC Davis reciprocity students.

This quiet and student-friendly community is located in an optimal area near UC Davis: located near the bus line to campus and bicycle trails (a major mode of transportation at UCD!). Residents enjoy a fitness center, pool and spa, barbeque spot, media loft and internet lounge with free WiFi.

Glacier Photo Gallery: <http://www.rentcafe.com/apartments/ca/davis/glacier-point-apartments/photogallery.aspx> Quick freeway access, walking distance to shopping, restaurants and more, and a bike path and bus lines to campus make this a great location.

A limited number of 3 bedroom, 2 bathroom and 4 bedroom, 2 bathroom units will be available for Reciprocity students. Roommate matching program is available.

Rental amenities include:

- One quarter, two quarter or full year lease; Many other Davis properties require a 12 month commitment so this short-term option is unique.
- All utilities and wireless internet
- Furnishings- a bed, desk, lamp and dresser for each resident. The common living spaces will include a couch, coffee table, and dinette set. All bed and bath linens, kitchenware and small appliances are the responsibility of the resident. The kitchens include a built in microwave, refrigerator, dishwasher, stove and oven.
- Study room with computers, media lounge
- Laundry (in-unit laundry at Glacier Point only)
- Fitness center, pool and spa
