

IIE/Open Doors Report on International Educational Exchange
U.S Study Abroad Survey: Fall 2011 through Summer 2012

Below this cover letter is UCEAP's enrollment data made relevant to the IIE/Open Doors Survey on International Educational Exchange.

As IIE/Open Doors requests that we exclude non-US Citizens or students who are not Permanent Residents, and as their calendar is not a Fiscal Year calendar, the figures reported to IIE/Open Doors reports can differ substantially and significantly from UCEAP's internal reports.

We hope this report will encourage and complement your campus efforts for Open Doors reporting. UCEAP's Research unit will not submit results to IIE.
