## **French University Acceptance Letter Instructions University of Bordeaux 2012-13**

Your acceptance letter from the University of Bordeaux will be forwarded to your campus EAP office when it is received by UCEAP. Please check your email regularly for the notification of its arrival.

As soon as you receive your Bordeaux acceptance letter, check the letter to make sure all information included is correct (the letter may include your name, birthdate, birthplace, program dates, etc.). Your name should be exactly as it appears in your passport. If you find a mistake, please contact Willaine Cabal at [wcabal@eap.ucop.edu](mailto:wcabal@eap.ucop.edu).

This is the first year that the French Consulates are not requiring students to submit their host institution acceptance letters with their visa applications (as long as students *do* submit their UCEAP Participation Letters). We recommend that you bring the Bordeaux acceptance letter with you to the appointment just in case. If the consulate does ask you to submit this letter, please let us know right away.

**Make a copy of this letter for your records and take it with you to France.**

**Do not lose your original acceptance letter. It is very difficult to replace!**

Year and Spring students: Note that the end date of your program that appears on the letter is later than the actual end of your program. Your program will end by the end of May, but the letter states a later date. This is because some students may participate in internships that extend beyond the end of the program.
