French University Acceptance Letter Instructions University of Lyon 2012-13

Your acceptance letter from the University of Lyon will be forwarded to your campus EAP office when it is received by UCEAP. Please check your email regularly for the notification of its arrival.

As soon as you receive your Lyon acceptance letter, check the letter to make sure all information included is correct (the letter may include your name, birthdate, birthplace, program dates, etc.). Your name should be exactly as it appears in your passport. If you find a mistake, please contact Carly Salvadore at csalvadore@eap.ucop.edu.

This is the first year that the French Consulates are not requiring students to submit their host institution acceptance letters with their visa applications (as long as students *do* submit their UCEAP Participation Letters). We recommend that you bring the Lyon acceptance letter with you to the appointment just in case. If the consulate does ask you to submit this letter, please let us know right away.

Make a copy of this letter for your records and take it with you to France.

Do not lose your original acceptance letter. It is very difficult to replace!
