ACCENT Acceptance Letter Instructions UC Center Paris: Fall 2012

Your acceptance letter from ACCENT will be available at your campus EAP office for you to pick up within the next two to three weeks. Please retrieve this letter at your earliest convenience.

As soon as you receive your ACCENT acceptance letter, check the letter to make sure all information included is correct (the letter may include your name, birthdate, birthplace, program dates, etc.). Your name should be exactly as it appears in your passport. If you find a mistake, please contact Carly Salvadore at csalvadore@eap.ucop.edu.

This is the first year that the French Consulates are not requiring students to submit their host institution acceptance letters with their visa applications (as long as students *do* submit their UCEAP Participation Letters). However, we recommend that you bring the ACCENT letter with you to the appointment just in case you need it.

Make a copy of this letter for your records and take it with you to France.

Do not lose this letter, as it is difficult to replace!
