University of Bordeaux Spring (Extension) Acceptance Letter Instructions

If you had your Departmental Preliminary to Extend (DPA) form approved to extend to a Bordeaux Spring program:

Your acceptance letter for the spring program at the University of Bordeaux will be forwarded to your campus EAP office for you to pick up within the next month.

This is the first year that the French Consulates are not requiring students to submit their host institution acceptance letters with their visa applications (as long as students *do* submit their UCEAP Participation Letters). However, we recommend that you bring the Bordeaux acceptance letter with you to your visa appointment just in case you need it.

Make a copy of this letter for your records and take it with you to France.

Do not lose this letter, as it is very difficult to replace!
