

CampusFrance Registration UC-Specific Instructions

NOTE: The CampusFrance registration process and instructions as they appear in this document are intended as a general guide. The French government may change the CampusFrance website without notice, causing these instructions to be superseded.

The acquisition of your CampusFrance registration confirmation is your responsibility; you must regularly check the CampusFrance website for the most up-to-date information.

You must complete the online CampusFrance registration and send a money order and a copy of your UCEAP Participation Letter to CampusFrance in order for them to process your application. This process can take 3–4 or more weeks to complete, so you need to start immediately.

Please do not use a Mac computer for your CampusFrance registration. The application program is designed for a PC, and problems will arise if you use a Mac. You may also need to enable pop-ups on the screen while doing your registration.

*If you are an EU citizen *and* have checked with the French Consulate and determined that you do not need to obtain a visa to reside in France, you do not need to register with CampusFrance (see the “Non U.S Citizens” section in the **Student Visa Instructions** in your Predeparture Checklist).

STEP 1: Print out the two different sets of instructions.

You need to use two different sets of instructions to complete the CampusFrance registration process. First, you need to PRINT OUT this document, which contains your UC-specific instructions. Additionally, CampusFrance has provided an instructional guide for completing your online registration. Please visit the following link and PRINT OUT the guide:

http://www.usa.campusfrance.org/sites/localmaster.campusfrance.org/files/usa/imce/study_abroad_ind_guide_jan2012.pdf

Use BOTH of these instructions, side by side, to complete your CampusFrance registration.

STEP 2: Complete the online application following both sets of instructions.

Below are the instructions specific to you as a UCEAP student (to be used alongside CampusFrance’s guide above). The numbers on the left refer to the same step in CampusFrance’s instructions. If you do not see a number below, then just follow the CampusFrance instructions for that step.

Password: Do NOT lose or forget your password. You will NOT be able to retrieve it from CampusFrance if you lose it, and you may have to start the entire process over.

Passport Number: If you do not have a passport yet, you may enter a random number so that you can start the CampusFrance process. Once you have received your passport, you MUST contact the CampusFrance office through your personal CampusFrance account to tell them to change your passport number.

Select a language: Choose “English.”

Please choose a Consulate: Select the Los Angeles or San Francisco Consulate, based on the location of your permanent residence. Refer to the “Where do I apply?” section of the *Student Visa Instructions* link in your Predeparture Checklist to see which consulate represents your permanent address (this is the location where you will attend your visa appointment).

4. Confirmation CampusFrance USA: PRINT OUT 2 COPIES OF THIS PAGE and do not lose this ID number. You will be required to include a copy of this print-out in your mailing to CampusFrance. You will not be able to return to this page later, so print it out now.

- If for some reason you cannot print out this page, write your full name, CampusFrance registration number (starts with "US"), phone number, and e-mail address on a separate piece of paper to submit in lieu of this confirmation printout.

STEP 3: Mail the required money order and documents to CampusFrance.

You must send the documents below to CampusFrance in order to get your email confirmation. It is very important that you include ALL of the correct items in order to avoid significant delays.

- **A \$70 money order (\$100 if money order is purchased on or after October 1st, 2012)** written out to “CampusFrance – La Maison Francaise.” Note your name and CampusFrance reference number on your money order. You can purchase a money order at your local post office (<https://www.usps.com/shop/money-orders.htm>). Personal checks are NOT accepted.
- **Photocopy of the UCEAP Participation Letter** that you picked up from your campus EAP office (there is a red seal at the bottom). Keep the original letter for your appointment at the French Consulate. Do not send your acceptance (“Attestation”) letter from the French host university itself. You will also need to keep that letter for your visa appointment at the French Consulate.
- **One of your printouts of the “Confirmation CampusFrance USA” page** (this is the page displaying the ID number that you were assigned by CampusFrance when you registered). Please LEGIBLY write your contact information (phone number and e-mail) on the page in case the CampusFrance staff needs to contact you regarding your application.
 - If for some reason you did not print out this page, write your full name, CampusFrance registration number, phone number, and e-mail address on a separate piece of paper to submit in lieu of the confirmation printout.

Send to:

CampusFrance
Embassy of France
4101 Reservoir Rd. NW
Washington D.C. 20007

We suggest that you mail your items to CampusFrance using a mail carrier service (such as FedEx) that will allow you to track the delivery of your package.

STEP 4: Wait 3-4 weeks to receive your confirmation of completion, then print to bring to your visa appointment.

Once CampusFrance receives your mailing, they will review your online application and send a **receipt of payment** to your CampusFrance inbox. After the application has been approved, **CampusFrance will send an e-mail to the inbox in your CampusFrance account** (not your personal e-mail account) to let you know that the **process is complete** and that you can **apply for your visa**. It may take three to four weeks after receipt of your documents for CampusFrance to confirm your application and send you this final e-mail. Bring print-outs of both emails with you to your visa appointment.

You do NOT need to wait until you have received your CampusFrance confirmation email to MAKE your Consulate appointment online; however, you must have RECEIVED (and printed out) the email when you ATTEND the appointment in person. Please make your consulate appointment online now for a date 3-4 weeks after you have completed the CampusFrance registration online and sent them your mailing. During these 3-4 weeks, you will be waiting for your CampusFrance confirmation e-mail and getting your other materials ready (see the *Student Visa Instructions* link in your online Predeparture Checklist).

What if I don't receive my confirmation email after 3–4 weeks?

If you do not receive your CampusFrance completion e-mail 3-4 weeks after you mail your documents, email CampusFrance through your CampusFrance email account to make sure they received your documents and money order, and notify Willaine Cabal at wcabal@eap.ucop.edu.
