

Travel Information Form

Please provide your arrival information below (Note: this information must be provided even if you plan to arrive early to Europe). Most international flights arrive the day after you leave the U.S. Please make sure you verify the date you will actually arrive in London.

If available, please also attach your flight itinerary.

Information about transportation from the airport to the ACCENT London Center can be found in your online UCEAP Pre-departure Checklist. If you have any questions, please contact the ACCENT San Francisco Center at (800) 869-9291 or Michelle Bobro at UCEAP (805) 893-4255.

Program Start Date: AUGUST 22, 2012

Participants arriving before August 22, 2012 must make their own housing arrangements. NOTE: TYPICALLY YOUR FLIGHT WILL ARRIVE IN EUROPE THE DAY AFTER YOU LEAVE THE U.S. (example: most flights departing on a Tuesday will arrive to Europe on a Wednesday).

REMEMBER:

You are responsible for checking in at the ACCENT Center between 9AM and 5PM the day the program begins in order to receive orientation materials and attend required program events. It is advisable to arrive into London no later than 2PM in order to check-in at the ACCENT Center before it closes. Participants arriving after 5PM may ring the bell at the FSU Centre and receive their orientation and housing materials from the reception staff on duty. However, participants arriving after 5PM are considered late arrivals and may miss required program events.
