

## **French University Acceptance Letter Instructions University of Lyon 2013-14**

Your acceptance letter from the University of Lyon will be forwarded to your campus EAP office when it is received by UCEAP. You will be notified by your campus EAP office when it is available.

As soon as you receive your Lyon acceptance letter, check the letter to make sure all information included is correct (the letter may include your name, birthdate, birthplace, program dates, etc.). Your name should be exactly as it appears in your passport. If you find a mistake, please contact Willaine Cabal at [wcabal@eap.ucop.edu](mailto:wcabal@eap.ucop.edu).

The French Consulates do not require students to submit their host institution acceptance letters with their visa applications as long as students *do* submit their UCEAP Participation Letters. If you have your Lyon acceptance letter by the time you attend your visa appointment, we suggest that you bring it with you to the appointment just in case.

**Make a copy of this letter for your records and take it with you to France.**

**Do not lose your original acceptance letter. It is very difficult to replace!**

Year students: Note that the end date of your program that appears on the letter is later than the actual end of your program. Your program will end by the end of May, but the letter states a later date. This is because some students may participate in internships that extend beyond the end of the program.
