## Education Abroad Program

### Spring Extension Acceptance Letter Instructions

**If you had your Departmental Preliminary to Extend (DPA) form approved to extend to a spring semester program:**

You may or may not receive your host university acceptance letter for the spring program in advance. If it is available, it will be forwarded to your campus EAP office for you to pick up when it arrives.

If you receive your spring Acceptance Letter before your visa appointment, we recommend that you bring it with you to your visa appointment just in case it is requested.

**Make a copy of this letter for your records and take it with you to France.**

**Do not lose this letter, as it is very difficult to replace!**
