

Financial Guarantee Form

France 2013-14

This form must be completed only if you will be supported by a parent / guardian / other (guarantor) while studying in France.

The signer of the Financial Guarantee Form (your guarantor) guarantees that he/she will provide you with at least the minimum amount of \$820 per month for the duration of the program in France. Your guarantor is also declaring that he/she will be financially responsible for any emergency that may arise.

Print out this two-page document and give it to your parent/guardian (guarantor) to complete. Your guarantor should use the reference list below to complete the form (on the second page below).

This form must be notarized! A notary public is a certified state official who is responsible for verifying identity, based on official photo identification such as a driver's license or passport. You can locate a notary through the yellow pages. There is a charge for notarization, typically around \$10 per signature. Your guarantor must bring the Financial Guarantee Form to the notary and sign it in the notary's presence. The guarantor will be required to show valid, official photo identification at the time of signing.

Please note that by signing this form, your guarantor is not guaranteeing that he/she will pay your UCEAP fees. The Financial Guarantee Form is provided for the visa application and is not related to your payment of UCEAP fees.

Your guarantor must have this form notarized his/herself (you, the student, do not need to be present). Have your guarantor give you the ORIGINAL notarized form, and submit it to the French Consulate with your student visa application (plus one photocopy).
