Hong Kong Polytechnic University
Arrival Instructions

There is no group flight to Hong Kong. Students are responsible for booking individual travel arrangements to arrive in Hong Kong before the Official UCEAP Start Date. Students who arrive late are subject to dismissal from the program. The Official UCEAP Start Date is indicated on the Program Calendar of your Participants Page. The calendar will be updated as soon as dates are available.

All students are strongly recommended to schedule a flight that arrives between 8 a.m. and 8 p.m. Please note that the HK Poly U must be notified in advance of late night check-ins or early arrivals. A listing of temporary housing is provided in the Program Guide posted on your UCEAP Predeparture Checklist.

Once you have arrived in Hong Kong, contact the Student Affairs Office during regular office hours. There will be a campus tour and mandatory orientation program scheduled. Information regarding the time and location will be emailed to you prior to departure. A welcome packet will also be provided upon check-in.

Not all taxi drivers are familiar with the residences on campus. Look up the location of your destination ahead of time. Provide the driver with the address of your housing assignment and have a campus map with you to show the driver exactly where you want to go.
