

# Travel Information Form

---

Please provide your arrival information below (Note: this information must be provided even if you plan to arrive early overseas). Most international flights arrive the day after you leave the U.S. Please make sure you verify the date you will actually arrive in London.

If available, please also attach your flight itinerary.

**Program Start Date: AUGUST 21, 2013**

**REMEMBER:** You are responsible for checking in at the designated arrival point and time on the program start date and are responsible for all transfer arrangements and costs. It is advisable to arrive into London no later than 2PM in order to check in. Detailed arrival information will be provided to all participants approximately two weeks prior to arrival. Participants who are unable to check in at the designated arrival point and time may be required to make and pay for their own accommodations for the first night.

If you have not yet finalized your travel plans, please hold this form and submit it once your plans are final.
