Write a 300 word or less statement of purpose here.

* Please explain in no more than 300 words the academic and personal reasons for your proposed participation in the student exchange or study abroad programme.
IMPORTANT! Do not use the UCEAP Course Catalog to complete this section. Refer to the courses on the CUHK website.

http://www.oal.cuhk.edu.hk/files/incoming/Online_App_Form_Course_List.pdf

At CUHK, undergraduate courses are coded 1 - 4 while postgraduate courses are coded 5 – 9. The first numeral in the course code of undergraduate courses stands for the level of study. Normally, courses in the 1000 level are lower division courses while courses in the 3000 and 4000 levels are upper division courses. For courses in the 2000 level, the classification of division varies according to policies of individual departments.

You must select at least four (4) courses that are offered the term you are at CUHK. Click ‘insert’ to add more courses.

Note: Economics courses require a strong economics and math background. Do not select economics courses unless you are an economics major.

This section is NOT for course registration. It is to help CUHK understand your area of interest. Information about course registration will be sent to students about month prior to the start of the program.
UC exchange students with at least a 3.0 cumulative UC GPA are not required to submit recommendation letters. However, you must turn in the Application Record Sheet to UCEAP to confirm your nomination.
Emergency contact information should match MyEAP.
