Uppsala University Housing Office Application
Uppsala University, Spring 2019-20

The 2019-20 Spring Semester housing application opens on November 15th and closes on November 30th, Swedish time.

You will receive an email from the Uppsala University Housing Office with a link to the application prior to November 15th. Be sure to check your spam and junk mail folders. If you haven’t received this email by November 15th, contact info@housingoffice.se.

Tips when filling out the application
When filling out the application, make sure to identify yourself as a University of California student, NOT a California State University student. For your department, you should put: The International Office, mobility@uu.se.

Housing information
Please review the links below for housing information prior to November 15th, so you will be prepared when the application opens.

Housing is not guaranteed, so make sure that you are ready to complete your application once it opens on November 15th. You will need to meet all deadlines, including for accepting your housing offer, and to make payments on time. Offers will be sent out at the beginning of December, and an active response from you will be required or you will lose your room.

Please note that it is very important that you keep deadlines for payments. Payment deadlines apply to ALL students, even those receiving financial aid. Plan ahead for this!
