

Germany

“ A UC education is a valuable commodity in today’s world, but even more valuable for me has been the opportunity to see the field of political science from a different perspective. We are living in a globalized world, and the understanding and insights I have gained will be essential in whatever career I pursue. ”

—Shannon Dulaney, UC San Diego, Ireland

Koç Univ.

“ I took courses on foreign policy and domestic politics from esteemed faculty and a former ambassador. I gained new perspectives on Middle Eastern politics and a better understanding of the strategically important relationship between Turkey and the U.S. ”

—Beril Unver, UC Irvine, Turkey
