

UNIVERSITY OF CALIFORNIA UNDERGRADUATE APPLICATION ACKNOWLEDGMENT

Dear Applicant,

We are pleased that you have chosen to apply to the University of California. Please verify the accuracy of the information shown on this page, follow all instructions, and be sure to read the reverse side of this form. It is important for you to keep a copy of this form for your records. You must refer to your Application ID Number when contacting the University about your admission application. Keep this number secure; it is unique to you and allows you to access your confidential information.

* Please refer to the enclosed Enrollment Opportunities Letter for information about closures and campus/major choices that are currently available. You will receive reimbursement of processing fees within approximately five weeks if you do not request an available campus/major choice within 21 days of this letter.

- **APPLICATION STATUS WEBSITE:** Go to: www.universityofcalifornia.edu/admissions/undergradapp/appstatus.html and select the CHECK APPLICATION STATUS option to review your application status and verify official test scores on file. This site will also allow you to pay application fees by credit card, make online changes to key application data, review important information and instructions, and link to campus websites.
- **E-MAIL ADDRESS:** Campuses use e-mail to send critical, time-sensitive correspondence to applicants. Be sure to provide an e-mail address that you check regularly and plan to keep until you enroll. Be aware that campuses send out bulk e-mails with very important information, and you may need to adjust your e-mail filtering to accept mail from UC addresses.
- **MAILING OR E-MAIL ADDRESS CHANGES:** If your mailing or e-mail address changes, go to the Application Status website to update your address information, or you may notify the Processing Service in writing at the mailing address below. Follow campus procedures regarding mailing and e-mail address changes if your address changes after you have enrolled in classes.
- **FRESHMAN APPLICANTS:** You are required to take two SAT Subject Tests (in two different subject areas) and either the ACT Assessment plus Writing or the SAT Reasoning Test. **Your scores must be sent by the testing agency to the campus(es) to which you applied.** You must take the exams no later than December 2006 if you are applying for the Fall 2007 term. **If the University does not have official score reports on file by late January, your admission may be jeopardized.** To verify official test scores on file, go to the Application Status website at the address shown above. For score release procedures, contact the College Board SAT Program at 866-756-7346 or ACT at 319-337-1313, or visit the testing agency websites at www.collegeboard.com or www.act.org. If you graduated from high school in Spring 2005 or earlier, different test score requirements may apply; for more information about test score requirements go to www.universityofcalifornia.edu/admissions.
- **TRANSFER APPLICANTS:** Approximately five weeks after the application filing period has ended, you will be asked to submit grades for all courses attempted in the last completed term and provide an updated list of courses in progress or planned for the upcoming term(s). This can be done by completing the Application Update form at www.universityofcalifornia.edu/admissions/undergradapp/aftersubmit.html. **Note: Failing to provide the requested information by the date specified may jeopardize your admission to a UC campus.**
- **FEE WAIVERS:** Application fees for up to four campuses are waived for qualified U.S. citizens and permanent residents who submit one of the following: a College Board fee waiver given by a high school counselor; a California Community College EOPS form; or a letter of authorization from a UC Admissions, Relations with Schools, or EOP Office. If you do not have one of the authorized fee waivers listed above, you may be considered for one by sending a letter stating your family's gross annual income and the number of family members supported by that income to the address listed below. **Note: Falsified income data may jeopardize your admission to a UC campus.**
- **TO APPLY FOR FINANCIAL AID:** Complete and file a 2007-2008 Free Application for Federal Student Aid (FAFSA) between January 1 and March 2, 2007. California residents must also apply for a Cal Grant in addition to filing the FAFSA. To apply for a Cal Grant, file a GPA Verification Form (separate from the FAFSA) with the California Student Aid Commission by March 2, 2007. You will receive both forms from the University (if you filed your admissions application by November 30, 2006, and you are a domestic applicant) by mid-January 2007. Both forms are also expected to be available by January 1, 2007, at high schools and colleges.
- **CHANGES TO INFORMATION SHOWN ON THIS FORM:** You can change or add to many key application items using the Application Status website. If you can't use this site to make changes, note your revisions on the front of this form and mail the revised form back to the Processing Service (keep a copy for your records). Do not return this form if you are using the Application Status website to change your information or you are not making any changes. If returning this form, you must sign below to certify that the information is correct to the best of your knowledge.

DATE

SIGNATURE OF APPLICANT

Admission decisions will be made as soon as the review process permits and you will be notified by the campus(es) you selected. *For Fall applicants who apply during the November filing period, admission notification will occur from March 1 through March 31 (for freshman applicants) or April 1 through May 1 (for transfer applicants).* In keeping with its mission as a public university, the University of California will make every effort to offer admission to one of its campuses to every qualified California resident.
