University of the West Indies (UWI)

Preliminary Housing Form Instructions

- This form is only a *preliminary application* and submitting it does not obligate you to live on campus at UWI if you decide you don’t want to. If you do not return the Preliminary Housing Form, however, you will lose eligibility for on-campus housing, even if you decide at a later date that you want it.

- After completing the form, affix one (1) passport-style photo in the space provided. Mail the form to the UCEAP Systemwide office.

- If you are assigned a space in one of the residence halls, UWI will issue you a housing contract. Please coordinate directly with UWI housing management regarding the *housing contract, deposit, and payment for the semester*.
