**SPECIAL NOTE ABOUT HOUSING**
On campus housing fills fast. Once your Yonsei application is submitted online, fall/year students can expect their admission number from Yonsei by email by mid-May. Housing applications open June 10 for fall and December 20 for spring. Once your housing is confirmed, you will receive notification that you must provide a medical report with a chest x-ray and Hepatitis B results in order to check into your dorm. You can complete this requirement within the first week of the program at the Yonsei Health Center (cost is ~$3 USD). SK Global House will provide more information when you check into the dorm.

**IMPORTANT:** You must pay for housing on your own, even if you are on financial aid. Financial aid is disbursed after the housing payment deadline. Only prompt payment directly to SK Global House by wire transfer will secure your housing. For an estimate, refer to the SK Global House website or UCEAP student budget.
