Housing Application

From 2 March 2009 onwards, undergraduate exchange students who are applying for NUS admission can apply for NUS housing via the NUS admission application system. Housing status will be made known together with the application status once the exchange application is confirmed by first week of June (for those coming in August) or by first week of November (for those coming in January). Please note that due to overwhelming response from NUS students, housing is still subject to availability and the University may not be able to accommodate all exchange applicants.

For undergraduate exchange students who are not successful in their application for NUS Housing, non-exchange and graduate exchange students, please refer to private housing options here. For enquiries, please refer to the OSA contact information here.
Select the options listed below. Otherwise, your application will appear in the incorrect format.

H. Disabilities & Special Needs

(a) Have you had or do you have any communicable diseases, mental illness, colour blindness, and/or disabilities (including but not limited to chronic illness, visual or other physical constraints or limitations), which may or may not cause you to require special assistance or facilities while studying at the university?

(b) If "Yes", please provide all relevant information below. This information will allow the University to develop a complete profile of an applicant so as to determine whether he/she might need additional resources in his/her studies. The University, however, does not guarantee the provision of special aid (financial or otherwise) to any student.

I. Declaration

(a) I declare that the information provided by me in connection with this application is true and complete.

(b) I understand that any inaccurate or false information or omission of material information shall render this application invalid, and if admitted on the basis of such information, I may be expelled from NUS.

(c) I understand that the provision of any inaccurate or false information may render me liable to prosecution in a court of law in Singapore.

(d) I understand that if I have been convicted of a criminal offence by a court of law of any country, I must submit all relevant information together with this application.

As applicable.

Read all points and check the boxes to indicate your understanding.
Carefully review your application to make sure that all of the information is correct. If you need to make any modifications, click on the ‘back’ button in the window toolbar to move to the desired page. After any necessary changes have been made, click on ‘continue’ to proceed to the confirmation page and verify that all changes are reflected.
Make sure that you have selected three courses.

The first course listed should be Field Studies in Biodiversity. The two language courses should be listed next in order of preference.

The first two courses you selected should show up here as **Compulsory Module**.

Once you are finished checking your information, **print your application form**. Send the application with an **attached 3.5cm x 4.5cm passport photo** to UCEAP.

You must also **submit the application electronically** to NUS by clicking the ‘Submit Application’ button. Once you submit your application, you will not be able to go back and make any changes.

After you successfully submit your application, you will be assigned an application ID number by NUS. Be sure to keep this number for future reference.
