After you have applied

*Summer students will of course be notified earlier than this, but it will still take some time.

Accepting the housing offer
When you receive the housing offer email, log in to your housing account to receive detailed information about the housing option, the rent, and the required deposit.

You will be asked to accept or decline the offer and to pay the deposit. The deposit is SEK 2000 and must be paid in advance. You will also sign your contract online. Please note that the housing offer is only available to you for a limited time and if you do not accept the offer before the deadline, it will be offered to another applicant.

After you have paid and signed the contract, you will receive a confirmation email from LUACC.

VERY IMPORTANT:
All students must make the housing payments as instructed by LUACC. If you are on financial aid, you still have to pay your housing costs to Lund University by the housing payment deadline, even if you have not received your financial aid disbursement by that time. Plan ahead for this!
