Housing Application
Lund University
Fall Semester and Academic Year Programs
2015-16

UCEAP Sweden Students must apply for housing at Lund University between April 10 and 25!

You absolutely must apply by NOON on Monday, April 25.
If you miss the deadline, you will be placed on a waiting list and may NOT be placed in university housing, no exceptions!

Do NOT wait to the last minute to apply!

How to apply
• Click on the link to the housing booking system - http://www.luaccommodation.lu.se/
• Click on LU Accommodation for Students
• AFTER reviewing the Room Types & Housing Areas, click on Apply for Accommodation
  o Follow the instructions for Exchange Students
  o Click on the light blue colored box
• Create an account and log-in to fill out the application online.
• Direct any and all questions about the housing application to Lund Accommodations (LUACC) at http://www.luaccommodation.lu.se/
  o UCEAP staff does not have access to the application and cannot assist you with it.

Please read the links on the left-hand side of the LUACC webpage. You will find answers to most all of your housing questions here. (Definitely read these before writing to LUACC.)

After you have applied
After your application has been processed, you will receive an email from LUACC with information about your housing offer and further instructions on payment and your contract. This will take a while – students will not receive the email until June or July. Please be patient!

Accepting the housing offer
When you receive the housing offer email, log in to your housing account to receive detailed information about the housing option, the rent, and the required deposit.

You will be asked to accept or decline the offer and to pay the deposit. The deposit is SEK 2000 and must be paid in advance. You will also sign your contract online. Please note that the housing offer is only available to you for a limited time and if you do not accept the offer before the deadline, it will be offered to another applicant.

VERY IMPORTANT!
All students must make the housing payments as instructed by LUACC. If you are on financial aid, you still have to pay your housing fees to Lund University by the housing payment deadline, even if you have not received your financial aid disbursement by that time. Plan ahead for this!
