We recommend flying into Copenhagen International Airport, Denmark by as direct a route as possible. Remember that you will arrive in Europe the day AFTER you leave the United States (example: Flights departing the United States on a Saturday will arrive in Europe on a Sunday).

Upon arrival to Copenhagen airport:
After arrival in Copenhagen, take a direct train, which departs from the platform underneath the airport, to Lund Central Station via Malmö. The journey will take just over ½ an hour. Train tickets to Lund can be purchased at the Copenhagen Airport DSB ticket desk, located on the main level, using U.S. dollars or SEK. You can also purchase a ticket with a credit card from a ticket machine located by the entrance to the track. The cost will be approximately $25.

It is less than a five minute walk from the railway station – see map at http://g.co/maps/7swux. If you have a lot of luggage, you may want to take a taxi. **U.S. Department of State – Smart Traveler Enrollment Program**

UCEAP highly recommends that all students register with the U.S. Department of State.

The Smart Traveler Enrollment Program (STEP) is a free service provided by the U.S. Government to U.S. citizens who are traveling to, or living in, a foreign country.

STEP allows you to enter information about your upcoming trip abroad so that the Department of State can better assist you in an emergency.

STEP also allows Americans residing abroad to get routine information from the nearest U.S. embassy or consulate.

Register online at [https://travelregistration.state.gov/ibrs/ui/](https://travelregistration.state.gov/ibrs/ui/)  
(You will need your passport information at time of registration.)
