Travel to Canada/Arrival in Vancouver

Fall Semester, 2016

There is no pre-arranged group flight from California; you must book a flight to Vancouver, Canada (or drive) and arrange to arrive on campus no later than the morning of September 6, 2016.

If you reserve campus housing, you can move in as early as September 3, 2016. See the Student Residence webpage Move-in Day for details.

All UCEAP participants must arrive at the UBC campus by the morning of September 6, latest, to take part in the mandatory orientation. Check your UBC offer letter and UBC’s International Student Guide for details.

The UBC orientation program is required; late arrivals cannot be approved.

If you have questions about arrival or orientation, please contact your Go Global Advisor at UBC, Wendy Kang:

E-mail: wendy.kang@ubc.ca

In addition, please contact Wendy as soon as you arrive safely in Vancouver. It is very important that you report your safe arrival and give her your local contact information.
