2016 Yonsei International Summer Session
Application Instructions

This program has a dual application process with UCEAP and Yonsei University. Follow these instructions for the Yonsei University application.

- Complete the online Yonsei International Summer School (YISS) application (Jan 6-April 30).
- Your name and birth date should be entered exactly as it appears on your passport.
- Print a hard copy for your records. Do not submit hard copies to EAP or Yonsei University.

III. ACADEMIC INFORMATION. For address of official transcript, indicate UCEAP.

V. SCHOLARSHIP. Note that, as an exchange student, you are not eligible for section V. Scholarship.

VI. FIELD TRIP OPTION
The Yonsei field trip is a three day program scheduled before YISS classes begin. This field trip is optional and the cost is not included in your EAP fees.

*This field trip is different from the EAP Busan field trip, which is scheduled after the program begins and open only to UCEAP Korea students.

VIII. CHECK LIST. Ignore this section. EAP participants are NOT REQUIRED to submit an original transcript, university admission letter, and application fee.

X. PHOTO. Attach a passport style photo that will be used for your Yonsei student ID card.

SUCCESS!
Submit the application and receive this message: “Your application form is successfully submitted.”

*SPECIAL NOTE ABOUT HOUSING
On campus housing fills fast. Once your application is submitted online and you complete the Predeparture Checklist requirements by the due date, you can expect your admission number from Yonsei by email before the housing deadline. Then you can apply for housing. Once your housing is confirmed, you will receive notification that you must provide a medical report with TB results in order to check into your dorm. The TB test must be done within 2 months of your dorm move-in date. We can accept your UCEAP Health Clearance up to 30 days before your departure.

IMPORTANT: You must pay for housing on your own, even if you are on financial aid. Financial aid is disbursed after the housing payment deadline. Only prompt payment directly to SK Global House by wire transfer will secure your housing. For an estimate, refer to the SK Global House website or UCEAP student budget (Money Matters tab on your PDC).

Financial Aid Minimum Unit Requirements
UCEAP allows students in the UCEAP Korea summer program to take either 9 UC quarter units (two courses) or 13.5 UC quarter units (three courses); however, the minimum unit requirement for UC summer funding varies by UC campus.

If you are a financial aid recipient, contact your UC campus financial aid advisor for your minimum unit requirement based on your individual financial aid award prior to departure.

If you take two courses and your financial aid award requires you to take three courses, you will be required to pay back any over-award of financial aid. This amount will vary by student.
