You will note that there is a housing guarantee for University of California exchange students, however strict terms and conditions apply:

The terms and conditions of the housing guarantee are as follows:

• You accept the housing offer given by LU Accommodation.
• You pay the first rent instalment and deposit on time (one month’s rent, normally SEK 3500-4600).
• You pay the remaining rent instalments on time.
• You do not cancel your housing contract during your study period.
• You fulfill the rental terms and conditions of the housing contract.

Please note that it is very important that you keep deadlines for payments. If the payments are not made on time, you will lose your housing guarantee.

*Payment deadlines apply to ALL students, even those receiving financial aid. Plan ahead for this!
