**INSTRUCTIONS FOR COMPLETING HOST UNIVERSITY APPLICATIONS**

**England**

UCEAP cannot guarantee placement at any one university. Our ability to honor your preferences is limited by appropriateness of academic program, space availability, student demand, impacted major departments, etc.

Step 1: Complete the UCEAP online application in MyEAP and click Submit.

Step 2A: Look at the TABLE below. If your first choice of host university requires a **HARD-COPY** application, follow the instructions for that application and any supporting documents. Submit those items to your campus office when you turn in other required items.

Step 2B: Look at the TABLE below. If your first choice of host university requires their own **ONLINE** application, DO NOT do that now. Wait to receive an email from the UCEAP Systemwide Office (or the host university) instructing you to complete a host university online application. That email will be sent in March/April for Fall and Year students or in July/August for Spring students. However, you should start collecting the supplemental items noted in the TABLE below so you will be ready to upload them to the host university online application when notified.

Step 3: Submit any items required in the MyEAP application instructions to your campus office.

**Instructions**

1. Keep scanned copies of everything you submit to your campus EAP office. You may need to upload some of these documents in a host university online application later.

2. If a transcript is required by your UC campus or host university, submit all transcripts for all college-level work.

3. Look over the appropriate Sample Form before completing an application. Many fields are difficult to understand or complete without referring to the Sample Form.

4. Your nationality refers to the country issuing your passport (ex: United States) - it does not refer to your ethnicity.

5. Course choices must be made from the host university’s own course listing or catalog. Do not choose courses from a University of California catalog. Before you select your courses:
   
   (a) Go to the UCEAP Programs page for the [English Universities Program](#)
   
   (b) Click on the Courses & Credit tab
   
   (c) Choose an individual host institution link
   
   (d) Choose the host institution online catalog link to review the host university’s current online catalog or course listing and also see which courses are restricted for international students. Not all courses are offered every term. The word “module” means the same as “course” and “class.” The word “unit” means the same as “credit.”

6. Do not write other host university preferences in a host university application if it has a field for this information. Your UCEAP application is sent to only one university at a time.

7. Forms are updated as they become available. Use whatever version appears here.

8. Do not staple anything. Documents will be rearranged and may be photocopied.

9. **Application Fee:** Do not submit an application fee.

*Updated March 2, 2016*
(10) **Letter(s) of Recommendation:** If required, letters must be academic references from professor or TA and should be on letterhead and have a signature.

(11) **Personal Statement:** If required, you may be able to use the statement you might have submitted to the campus office.

(12) **Art Studio Applicants:** Submit a CD or other type of portfolio.

(13) **Non-US Citizens:** You may be required by the host university to submit an English Language Certificate (no more than 2 years old, showing your English language level of B2 or above). The UKVI is no longer accepting ETS tests (TOEFL) as evidence of English language ability. You should take a test with an alternative provider from this official list: https://www.gov.uk/government/publications/guidance-on-applying-for-uk-visa-approved-english-language-tests.

**Host University-Specific Instructions and Sample Forms**

*(A full load is 120 credits for the year and 60 credits for the semester, with the exception of Imperial College London, University College London, and Royal Holloway.)*

**Imperial College London**

- Imperial College Application Form
- After you have been notified to complete an online application:
  - See the Online Application Instructions for detailed instructions on how to fill out the form.
  - EAP will email you a nomination letter at the time you are instructed to complete the Imperial application. Upload this nomination letter in the appropriate section of the Imperial application.
  - You must upload a “learning agreement” and a “course/projects” but there are not any forms for these two items. Create two separate Word documents: (1) on the “learning agreement” sheet list the courses you plan to take at Imperial College and (2) on the “course/projects” sheet list the courses you are currently taking at UC and the courses you plan to take at UC after your return. EAP students MAY enroll in Year 1 courses regardless of any conflicting instructions for the application form.

**University of Bristol**

- University of Bristol Application Form
- After you have been notified to complete an online application:
  - Complete the form and submit it electronically to Bristol. After the electronic submission, a confirmation will appear. Regardless of the instructions on the confirmation, the only signature required is your own.
  - Sample Form
  - See the Study Abroad Application Checklist for additional items you need to complete and submit.

**University of East Anglia**

- University of East Anglia Application Form
  - See the Online Application Guidance Notes for an overview of the application.
  - Under the Fee Status section, select “You are studying outside Europe and applying through an exchange partner institution”
  - Under the Educational Representative Details section, enter Senior Program Officer Monika Kraska as your Educational Representative:

*Updated March 2, 2016*
- Level 4 modules are open to all, level 5 modules require some academic background (usually 3-4+ modules in that subject) and level 6 modules are open to students majoring in that subject only. Some departments do require more background for level 4 modules, such as Math, Informatics, Physics, and Music.

- After you have been notified to complete an online application:
  - Follow the above application form link. It will take you to a screen titled “Postgraduate Applicant Sign On.” You will subsequently see frequent reference to ‘postgraduates’ throughout the online form. PLEASE DO NOT WORRY, THIS IS THE CORRECT FORM.
  - Be careful to complete the first section of the application correctly:
    - In the “Academic Career” field, you must select “Undergraduate,” NOT “Postgraduate Taught.”
    - In the “Program Description” field, you must select “University-Wide Exchange Student,” NOT “Study Abroad (fee-paying).”
  - Manchester’s “How to Apply Online” guidance notes
  - As part of the online application you must complete and upload the required supporting documentation:
    1. A Proposed Study Plan
    2. A Fall Assessment Approval Form: Only for fall semester students; note that early assessment is not always available for all courses.
    3. A photocopy of the ID page from your passport
    4. A passport-style photograph
    5. An official transcript (since you will submit this as an attachment, a copy of an official transcript is also acceptable)
    6. A Personal Statement (you can paste your EAP statement of purpose into the Manchester form and edit it to the 500 word maximum if necessary)

University College London
* A full load is 60 ECTS credits for the year and 30 ECTS credits for a semester.
  - University College London Application Form
  - In question 12, you must write the UCL department to which you will apply; this will be your “base department.” You must select your base department from the below departments; you may not select a department not listed. See here for further information.
    - Archaeology, Anthropology, Biological Sciences, Economics, Geography, History, Statistics, and “Arts and Sciences (BASc) program.”
  - You must take 50% of your units (usually two of four courses, per semester) in your base department.
    - Students choosing BASc as the base department must choose courses from BASc’s core and/or elective modules.
  - You may select the other 50% of your units from other departments. However, be aware that course access is only guaranteed in your base department.
  - If you must take courses in two of the base departments open to EAP students (e.g. geography and history), you should list both as base departments in question 12.

University of Warwick
* (Fall quarter students will receive approximately 40% of the credit listed for the full year. All Year students MUST choose courses that will go

through to the end of the UCEAP PROGRAM CALENDAR, i.e., courses plus papers/exams/etc., for the full Fall one-quarter plus Spring two-quarter period called “Spring and Summer.”)

- **University of Warwick Application Form**
  - All EAP participants are overseas exchange students; this is coded as both “EXo” and “D-UEOS.” EAP students are NOT Erasmus or visiting students.
  - Year students may refer to courses in the [MyEAP Course Catalog](#); fall students should not use the MyEAP Course Catalog. Instead, fall students MUST CHECK the [Availability of Departments](#) chart before selecting courses.
  - Enter Senior Program Officer Monika Kraska as your home university coordinator.
